# RESEARCH CONFERENCES

## 1990-91

**NEH** National Endowment  
**EH** for the Humanities

The Division of Research Programs announces twenty-six research conferences in 1990-91 that are being supported by the National Endowment for the Humanities. These conferences are designed to advance scholarly research in the humanities. Many but not all of the conferences are open to application for subsidized participation. In most cases observers are also welcome. Those interested in additional information should call or write the conference project directors. Proceedings of conferences that have already taken place can also be obtained from the project directors.
